

MCCU Division Lobby Re-Opening

Effective July 6th, the Members Choice Credit Union Division lobbies will re-open. The Peoria office lobby will open with new hours Monday – Friday from 9AM-4PM and by appointment only on Saturdays. The drive-up will remain open Monday –Thursday from 8AM-5PM, Friday 7:30AM-5:30PM and Saturday 9AM-12PM.

In order to follow safety guidelines, we have installed germ shield barriers in each teller window and lobby office. Floor signs marking where members should stand to keep their distance have also been placed on the floor. At this time, only six members will be allowed in the lobby at any given time in order to keep 6 feet of distance between members and staff. In the event we reach six members in the lobby at one time, members may be asked to remain outside the building until that space becomes available.

Employees are reminded to ensure they keep their hands regularly washed and sanitized and not to come in if they are feeling ill. Members are encouraged to wear masks in the lobby, however may be asked to temporarily remove the mask to verify their identity.

Although our lobby is re-opening, we do encourage members to use our electronic services such as Online Banking, the CCNCU Mobile App with remote deposits, drive-up and ATM including over 85,000 surcharge free ATMs on the CO-OP Surcharge-Free Network and newly added Allpoint Surcharge-Free Network giving you access to your funds without paying a surcharge. Find a Surcharge-Free ATM at <https://www.ccncu.com/Co-Op-Shared-Branches>

CCNCU values your membership and we are committed to serving your financial needs. We will continue to monitor the changing developments surrounding COVID-19 and will update as any new information becomes available.

Consider using one of these ways to Access Your Account
