

Dear Members,

First and foremost, I would like to take this opportunity to thank each of our members for their loyalty to your Credit Union. We always strive to provide our members with the best rates, while also providing the latest in financial services. To continue this practice and to prove our gratitude, we would like to offer each of our members a one-time loyalty rate bonus. Members can reduce their next loan rate by 1% or increase their next purchased Share Certificate rate by 1%. We realize with the fluctuation in inflation and interest rates, that many of you could use a break. We hope this helps to remind you of why you chose CCNCU as your financial institution. There is no greater joy than knowing we are doing everything within our resources to help our members reach their financial goals.

See information below for all the details for this offer.

Thank you again for your valued membership,

Joe Webb
President/CEO

CCNCU Giving Back

MCCU Division employees held a donation drive for Almost Home Kids during September 2022 and it was a HUGE success!! MCCU continues to support Almost Home Kids by employees volunteering their time twice a month!

What an event! This is the 22nd year that Members Choice CU has sponsored the Drive for Miracles Radiothon and it keeps getting better and better every year! Not only did employees work the phone lines but the credit union donated \$20,000 to OSF Children's Hospital of Illinois! We can't wait to see what next year brings.
