# READY, SET, TRAVEL!

## 4 Smart Money Tips for a Stress Free Trip

Your vacation should be all about relaxation—not worrying about money issues! Before you set off, take a few simple steps to ensure your CCNCU debit and credit cards are ready for the journey.

### Notify Us of Your Travel Plans

To protect against fraud, CCNCU card transactions outside the U.S. are blocked by default. Even domestic trips can flag unusual activity on your debit or credit card. Help limit any disruptions by letting us know your travel dates and destinations.

You can easily update us with your plans by any of these methods:

- Message us within online banking
- Email [info@ccncu.com](mailto:info@ccncu.com)
- Call or Text 309.672.5230

### Add Your Cards to a Digital Wallet

Keep your cards safe and payments simple by adding your CCNCU debit and credit cards to a digital wallet like Apple Pay®, Google Pay™, or Samsung Pay®. It's a secure way to pay without pulling out your physical card, which is beneficial for busy travel days.

### Stay Connected with Secure Messaging

Need help on the go? Send us a secure message anytime through online banking. Our member specialists are just a few taps away to assist with cards, transactions, and more.

### Download CCNCU CardNav®

Manage your cards by remote control from your smartphone. In addition to letting you turn your cards on and off whenever you choose, CCNCU CardNav® lets you control when, where and how they're used. It can even provide instant updates to help manage your budget and help identify and stop potential fraud from happening.

Download in the Apple App Store or Google Play.

### Enjoy Your Trip

With a little preparation, you can set off on your summer adventures knowing you'll have secure and reliable access to your finances—so you can relax and enjoy every moment!
