A message from the Chairman

Dear Member,

As we close another successful year, I want to take a moment to express my heartfelt gratitude for your unwavering support and loyalty. Our credit union has enjoyed a financially prosperous year, distributing \$3.7 million in dividends to our members.

In 2025, we introduced several enhancements to our services. "Message Pay" is now available, offering a user-friendly payment system with text capabilities. You may have noticed our website's refreshed look from this past spring, designed to be more appealing and user-friendly.

We remain dedicated to providing the most current, high-quality services, along with the best loan and share rates in the area. We're excited to announce that we are now offering first-time home mortgages, a service many of you have requested, and we are thrilled to finally provide this opportunity.

Last year, we also celebrated a significant milestone: our credit union's 90th anniversary! This achievement would not have been possible without your support, and we thank you! We look forward to serving you, your children, and even your great-grandchildren for the next 90 years.

On a personal note, this year is particularly significant for me as it marks my final year serving as Chairman of the Board. It has been an honor to represent you in this role, and I am deeply grateful for the trust and partnership you have extended to me throughout my tenure. Thank you to Joe Webb, Katie Fehl, and the rest of the credit union staff for providing excellent member service and making the board of directors proud. I'm pleased to announce that Steve Friedman will be taking over as Chair. Steve brings a wealth of experience, steady leadership, and a clear vision for our future. I am confident that under his guidance, our organization will continue to flourish and grow.

With appreciation,
John Machens
Chairman of the Board

CCNCU Giving Back

The canned food drive was a tremendous success, and it's all thanks to each of you! The Credit Union held a drawing for members who donated 10 or more non-perishable food items, giving them a chance to win \$300 in cash!

Our Annual Toys for Tots collection was another success. Thank you to all who donated. Your contributions bring joy and hope, proving once again the incredible impact we can achieve when we come together as a community.

We were once again proud sponsors, continuing our annual contribution to CHOI. This year, the CU celebrated 25 years of participation and support for this event. As we look forward to many more years of collaboration, we remain dedicated to fostering a spirit of giving and community involvement.
